Santa Fe's El Capitan was the first choice for travelers between Chicago and Los Angeles, reaching new levels of luxury as a conventional streamliner in 1954 when the first “Big Domes” arrived. Capturing the spirit of the 1954 El Capitan, our newest HO name train includes four new cars – six authentic models in all – that later served on other Santa Fe streamliners. New 300-Class F7s in full Warbonnet® colors will also be available for an authentic model from start to finish.
